		Sue Mauger, CIK

Purpose of this meeting was to review national report which was supposed to be out on October 1st.

No report has been seen yet

Robert has emailed asking about report – no response as of now

General discussion regarding the draft report issued previously

Doug suggested the following change to the Policy and Procedures: Section I.C should change “Agency” to “Administration” in NOAA’s name

Have not received any proposals, calls or questions with regard to the solicitation

Proposal deadline is October 15
